Sikandar Pura Near City Park, Punjab, Wazirabad 52000 Pakistan

Objective

I am a Software Engineering student with a strong interest in frontend and mobile app development. I have hands-on experience in building responsive web applications using HTML, CSS, and JavaScript, along with basic knowledge of SQL databases. I also develop mobile applications using Flutter with Firebase as backend. I enjoy creating clean, user-friendly interfaces and continuously improving my development skills by working on real-world projects.

Experience

Internee Nov 2025-Jan 2026

Junior Flutter Developer

Successfully completed 3 Months internship at RapidRiseTech Global Mobile App Development Company. Work On real world Projects like

CEV, Jump App, Bike_lyfe, Motor rota etc.
